Medical Management of CBRNE Events (PER-211)

Sponsor: Cincinnati-Hamilton County Homeland Security
Symmes Township

Where: Symmes Twp. Public Safety Building
8871 Weekly Lane
Symmes Twp., OH 45249

When: April 26-27, 2016
8:00 a.m.-5:00 p.m.

Who Should Attend:
- Fire Service
- Law Enforcement
- Emergency Medical Service
- Emergency Management
- Public Health Services
- Hospital personnel, physicians and nurses
- Public Works

Course Description:
What if a catastrophic event occurs? Will you be ready? Will you need a special level of protection? Is decontamination necessary? Do you have the right medications?

Medical Management of CBRNE Events answers these questions and more as you learn how to distinguish between different agents of concern that could be used in a major incident.
Course Description (Cont.)
This course is a combination of facilitated discussions, small-group exercises, Human Patient Simulator hands-on scenarios, and traditional classroom discussions. Exercises are conducted in a CBRNE scenario using both adult and pediatric Human Patient Simulators to reinforce classroom lectures and interaction.

This course promotes critical thinking skills while utilizing the RAPID-Care concept. The multi-discipline make-up of the participants helps to strengthen information sharing, communications and medical surge capabilities.

Topics:
- Environmental factors and protective issues for both responders & public
- Planning for potential consequences of a CBRNE incident
- Recognizing and identifying CBRNE agents and their physiological effects on the human body
- Appropriate self-protection measures and measures necessary to limit patient cross-contamination
- Assessment of adult and pediatric patients
- Basic decontamination considerations
- Appropriate triage methods during a CBRNE or terrorist incident
- Response to an incident involving CBRNE
- RAPID-Care concepts

Course Delivery: Texas Engineering Extension Service (TEEX)

Prerequisite: None. AWR-111-W & AWR-160-W are recommended.

Deadline to register for this course is April 1, 2016

Education Credits: 1.60 CEU’s (Emergency Nurses Association & American Academy of Family Practitioners—AAFP)
