MGT 414: Advanced Critical Infrastructure Protection

[Register Here](#)

Or at: <http://www.hamiltoncountyohioema.org/available-training>

Dates/Time:

Date: June 12, 2019

Time: 8:00AM—4:00PM

Location:

Symmes Twp. Safety building
8871 Weekly Lane
Symmes, OH 45140

Description:

In this course participants will enhance their skills to formulate considerations for the resiliency of jurisdictional assets leveraging cross-sector partnerships. These considerations will enhance the whole community's ability to manage the risk associated with critical infrastructure protection efforts. The course will implement the National Preparedness Goal by facilitating the development of Resiliency Action Plans, involving all jurisdictional critical infrastructure partners. Upon completion of this course, participants will be able to increase infrastructure owner/operator participation in jurisdictional planning, organizing, equipping, training, and exercising critical infrastructure protection efforts.
