

Southwest Ohio Regional Training Bulletin

Presented by:
Hamilton County Emergency Management
& Homeland Security Agency

Bulletin No. 05-2019

March 11—July 8th, 2019

Released biweekly on Monday, this bulletin serves as the one-stop location for information on local, county and regional training courses in Southwest Ohio. To register for a specific course or to obtain more information, click on the hyperlinked course title.

Updates and Important Information

- [Register here](#) to continue receiving these training bulletins, existing email lists will cease receiving updates on May 6th, 2019.
- The prerequisite for PER-343: Social Media Engagement Strategies has been changed. Students now only need a working knowledge of Facebook, Twitter and Instagram, OR have previously taken PER-304: Social Media for Natural Disaster Response & Recovery
- NWS Advanced Weather Spotter will be held at the Anderson Center in Anderson Twp on Saturday, May 4th. Students can [register here](#). Registration is capped at 225 students and there are less than 75 seats remaining in the course.
- The next bulletin will be released 03/25/2019
