Local First Responders and Sam Adams Brewing Company Partner for Emergency Preparedness

HAMILTON COUNTY, OH-- Sam Adams Brewing Company (SABC) has teamed up with the Cincinnati Fire Department and Hamilton County Local Emergency Planning Committee (LEPC) to participate in a full scale exercise simulating a hazardous materials spill. This exercise will take place from 1-3 PM on October 8, 15, and 22, 2020 at the Sam Adams Brewing Company- 1625 Central Pkwy, Cincinnati, OH.

This exercise marks an exciting opportunity for a local business and first responders to partner together to prepare and train for an unexpected and potentially life-threatening emergency. Community members and those visiting the area on the three exercise days can expect to see and hear the lights and sirens of multiple fire apparatus, first responders dressed in hazardous material suits, and simulated smoke. For the safety of the public and first responders, those in the area should not approach or enter the scene of the exercise.
