

TOXMEDIC-IQ

HazMatIQ Classroom Training

Training for Real World Responses

COURSE DESCRIPTION: The HazMatIQ Tox-Medic[®] Course is a specialized EMS training program designed to give medics, EMT's, Medical Staff, and Haz Mat responders the knowledge and confidence required to provide ALS/BLS care options to patients suffering from a hazmat/WMD exposure. This course complements the HazMatIQ: Above the Line, Below the Line[®] Course. Tox-Medic IQ Course is taught using the same simple and street-smart methods that have made the HazMatIQ System a world-wide success.

TARGET AUDIENCE: Firefighters, EMT's, Paramedics, Nurses, Doctors, Haz Mat Ops personnel, Haz Mat Techs, Haz Mat Specialists.

COURSE LENGTH: 8 hours
