December Outdoor Warning Siren System Test Rescheduled

HAMILTON COUNTY, OHIO – The Hamilton County Emergency Management and Homeland Security Agency (EMHSA) **will not be testing** the Outdoor Warning Siren System on **December 2, 2020 at 12:00pm**. The December siren test is **rescheduled for Wednesday, December 9th** at noon, pending weather conditions. The rescheduled test on December 9th will last approximately **10 seconds**.

There are three basic criteria to activate the sirens:

- The National Weather Service issues a Tornado Warning for all or part of Hamilton County,
- A tornado is reported by a local public safety official; or
- A dangerous situation occurs which requires the public to seek shelter indoors immediately.
